Finding a Reputable Moving Company

- Get recommendations from friends, neighbours, and acquaintances.
- Research potential moving companies online.
- Schedule in-home estimates with at least three companies.
- Review and compare moving quotes.
- Understand the levels of insurance coverage offered.

Packing Strategies and Supplies

- Begin decluttering your home.
- Acquire quality packing materials: boxes, bubble wrap, packing tape.
- Start packing non-essential items early.
- Label each box with its contents and designated room in the new home.
- Pack an essentials box for the first night.

Safely Moving Your Electronics

- [] Gather original boxes for electronics, or use sturdy boxes with padding.
- [] Label and photograph all connections before dismantling.
- [] Consider professional packing for high-value electronics.

Moving with Pets: Cats and Dogs

- [] Schedule a vet visit for your pets.
- [] Get your pets accustomed to their carriers.
- [] Plan for a quiet and comfortable pet area on moving day.

DIY Moving Tips

- [] Determine if a DIY move is suitable for you.
- [] Gather free moving boxes and recycled packing materials.
- [] Plan the logistics of packing, loading, and unloading.

Moving Day Essentials

- [] Finalise arrangements with the moving company.
- [] Prepare a moving day essentials kit.
- [] Double-check that everything is packed and labelled.

Settling Into Your New Home

- [] Begin unpacking starting with the essentials box.
- [] Set up key areas: kitchen, bedrooms, bathrooms.
- [] Update your address with relevant institutions and services.
- [] Explore the new neighbourhood and introduce yourself to neighbours.

Conclusion

- [] Verify all tasks are completed.
- [] Ensure pets and family are comfortable.
- [] Enjoy your new beginning!

This checklist is your roadmap for a well-organized move, guiding you from preparation to settling into your new home. By following these steps, you're setting yourself up for a successful and stress-free move.
